**Remember to send the registration papers in with the transfer form for processing**

*Note: A transfer application is on the back of papers of horses registered after 1/1/2000. This application should be used for horses originally registered prior to 12/31/1999, and may be used along with a new registration application for horses that the breeder has sold.*

*The seller of a bred mare should also provide a registration for the unborn foal with the "certificate of breeding" section completed, including the stallion owner's signature.*
